

## Iron County Register

IRONTON, MO., MAY 6, 1920.

E. D. AKE, EDITOR.

VOLUME LIII. NUMBER 49

FOR PRESIDENT:

**Edward I. Edwards,**  
OF NEW JERSEY.

A Democrat Unafraid to Voice the Faith.

How long can a Democratic party divested of Democratic principle endure?

MEXICO is in eruption again and our Uncle Samuel, if he be wise, will let her erupt without his interference.

SUGAR thirty-five cents a pound and still rising in price. There is no just cause for it—only outrageous profiteering can have brought about such a condition. Unfortunately the big thieves are immune from punishment.

I SEE the New York Sun is shedding bitter tears because of Missouri's refusal to back up Senator Reed in his assaults on the President and the League of Nations. It is no doubt consoling to the Senator to have the endorsement of so stalwart a Republican sheet.

I READ that the Ministerial Alliance in St. Louis last week "unanimously endorsed" the Eighteenth Amendment. Will these clerical gentlemen, in their assembled wisdom, show me where, by either precept or example, the Man they profess to follow has given them warrant for Prohibition? I have asked this question, time and again, of the local public, without response.

THE Republican Congress now proposes to investigate the Federal Reserve Board, which is about like investigating the Rock of Gibraltar to see if it is solid. Not even the system that enabled the country to finance the greatest war of all time without a financial tremor is to escape the activities of the "investigating" Congress. However, such an investigation will serve to give the Congress another pretext for killing time and for not doing those things it should do.

### Des Arc Items.

We are very sorry to hear of the death of Miss Edna Huggins, only daughter of Mrs. Belle Huggins, who has so long been station agent at Sabula. She was taken to Piedmont and buried beside her grandmother in the Piedmont cemetery. She leaves a mother and one brother to mourn her.

DONIPHAN Prospect-News: "In trying to break the telling force of Mrs. Martin's speech here Saturday, some of the local Republican politicians are trying, as usual, to make it appear that she said some things she did not say. One fellow asked us what we thought of her statement that all the foreign element in this country are Republicans. Well, to get down to facts, she did not say that, but she did say that most of them are, and more than that, she proved it. Then the same fellow wanted to know if she did not say that the Republicans are mostly Negroes; she did not say that, either, but she said that most of the Negroes are Republican, and everybody knows that to be true. Mrs. Martin is well up on her political facts, and she is eminently capable of expressing them in a most convincing manner, and that is what hurts "our friends, the enemy."

### Freedom.

Freedom may come quickly in robes of peace, or after ages of conflict and war; but come it will, and abide it will, so long as the principles by which it was acquired are held sacred.—Edward Everett.
